GB - **IMPORTANT**: Ensure there is a crosstube fitted either side of the join.

DE - **WICHTIG**: Stellen Sie sicher, dass die Verbindung auf beiden Seiten von einem Querträger getragen wird.

NL - **BELANGRIJK**: Zorg ervoor de verbinging aan beide zijden ondersteund wordt door een drager.

SE - **Viktigt**: Säkerställ att det finns ett tvärstag fastsatt på bägge sidor om fästpunkten.

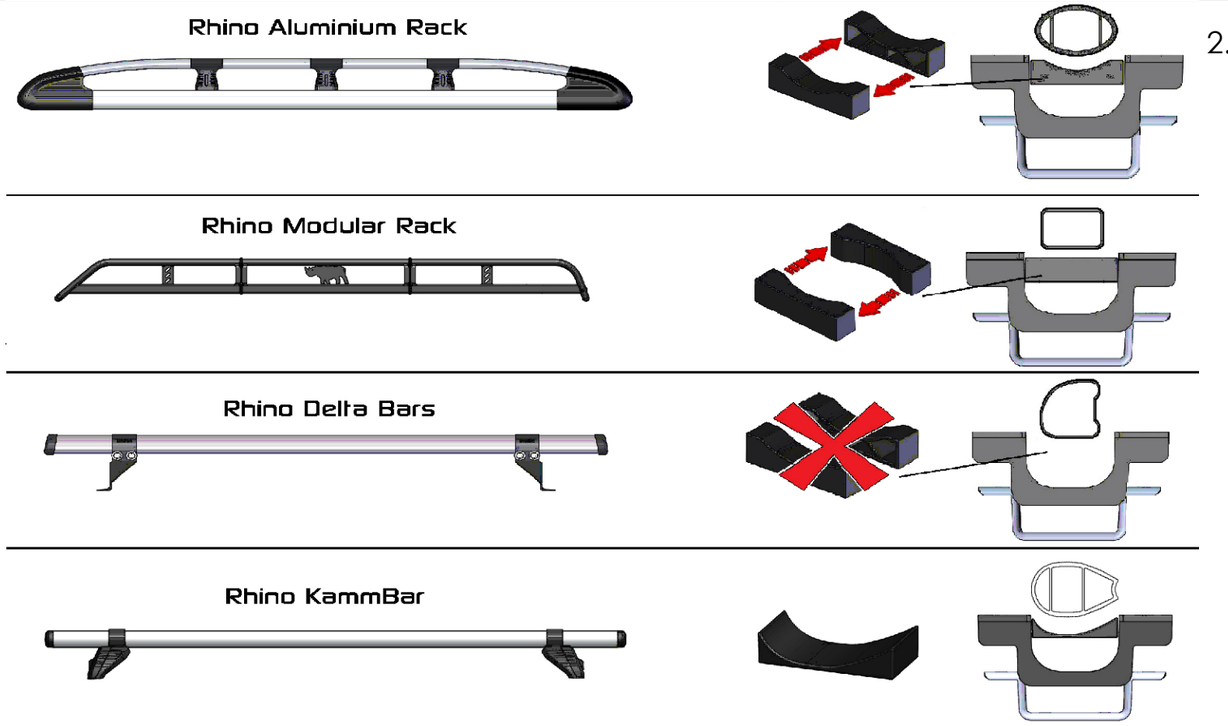

ES - **IMPORTANTE**: Asegúrese de que haya un tubo transversal montado en cada lado de la unión.

FI - **TÄRKEÄÄ**: Varmista, että liitoksen kummallekin puolelle asennetaan poikkiputki.

FR - **IMPORTANT**: Veiller à ce qu'un tube transversal soit monté de chaque côté du joint.

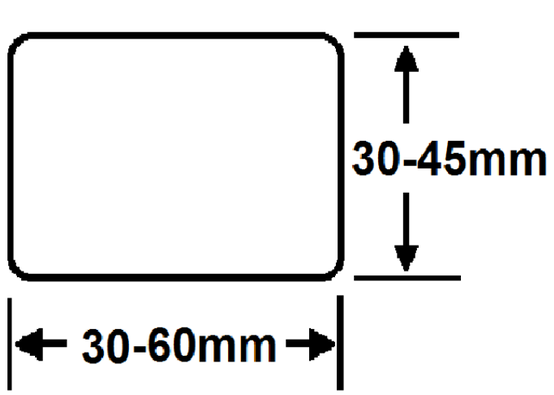

NO - **VIKTIG**: Sikre at det finnes et kryssrør som er montert på én av sidene til skjøtingen.
